TRADEMARK COLLATERAL AGREEMENT

This 23 day of December, 2008, WHITEFEATHER FOODS, INC., an Ohio corporation (the "Debtor") with its principal place of business and mailing address at 13845 Cemetery Road, Wapakoneta, OH, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to HARRIS N.A., a national banking association, with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, and its successors and assigns ("Secured Party"), and grants to Secured Party a continuing security interest in, the following property:

(i) Each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Obligations of Debtor as set out in that certain Security Agreement bearing even date herewith between Debtor and Secured Party, as the same may be amended, modified, or restated from time to time (the "Security Agreement").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Secured Party of any applications by Debtor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Secured Party on such Intent-To-Use Application as collateral security for the Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

This Trademark Collateral Agreement evidences a security interest and shall not operate as a sale, transfer, conveyance or other assignment to the Secured Party of the Debtor's ownership interest in any of the trademarks listed in Schedule A, except as a result of the Secured Party's exercise of any rights and remedies during the existence of an Event of Default. Until and unless Secured Party acquires ownership of the trademarks listed on Schedule A as a result of the exercise of any such rights and remedies, Debtor retains the ownership rights, the rights to use the marks and the rights to maintain and renew the trademarks listed in Schedule A. The security

interest granted hereunder shall be released at the expense and request of Debtor upon payment in full of the Obligations concurrently with the release of the security interests granted under the Security Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
